About PBEC – PACIFIC BASIN ECONOMIC COUNCIL: (www.pbec.org) Founded in 1967, PBEC is an INVITATION ONLY institution that acts on behalf of the business community within the Asia Pacific Region and was the progenitor of APEC – Asia Pacific Economic Council. Over this period, it has always been closely associated with APEC and holds meetings with political and corporate leaders on a regular basis and on the sidelines of the annual APEC meetings, particularly the APEC CEO Summit that will take place this year in Kuala Lumpur, Malaysia on November 10-11th 2020.

PBEC organizes regular engagement events, seminars, in-country roundtable luncheons and breakfast briefings across Asia for our members to deepen its relationships across the Pacific and to interact with likeminded leaders and politicians, thus creating wonderful business opportunities. PBEC also collaborates with several influential partner Groups operating regionally and globally to gain additional access to key events and invitation only meetings for our members; providing a unique borderless platform for ongoing dialogue, cooperation and consultation regarding policy initiatives between our members, high level decision-makers and government leaders. Our Group comprises of the Pacific Rim's leading business executives, making it a unique platform for business decision makers needs across the Pacific.

About TOP GLOVE CORPORATION Bhd: (www.topglove.com) Established in 1991 and headquartered in Malaysia, Top Glove Corporation Bhd is the world's largest manufacturer of gloves. What started as only a local business enterprise with 1 factory and 1 glove production line, has today captured 26% of the world market share for rubber gloves. The company has manufacturing operations in Malaysia, Thailand and China. It also has marketing offices in these countries as well as USA, Germany and Brazil and exports to over 2,000 customers in 195 countries worldwide.

Listed on the Malaysian Bourse (2001) and Mainboard of the Singapore Exchange (2016), Top Glove has demonstrated steady growth with a compound annual growth rate (CAGR) of 21.7% for revenue and 19% for profit after tax over the past 18 years. It is also a component stock of the MSCI Global Standard Index, FTSE Bursa Malaysia KLCI Index, FBM Top 100 Index, FBM Emas Index, FBM Hijrah Syariah Index, FBM Emas Syariah Index, FTSE4Good Bursa Malaysia Index and the Dow Jones Sustainability Index (DJSI) for Emerging Markets. Top Glove offers a comprehensive product range, which now includes a non-glove segment comprising condoms, dental dams and exercise bands, fulfilling demand in both the healthcare and non-healthcare segment.

About Tan Sri Dr Lim Wee Chai - A Malaysian businessman, who is the chairman and founder of Top Glove Group of Companies, which was founded in 1991 and was listed in Bursa Malaysia (Kuala Lumpur Stock Exchange) on 27 March 2001 and the Singapore Exchange (SGX) on 28 June 2016. In 1991, Lim founded Top Glove Sdn Bhd, a rubber glove manufacturing and trading business which started with only three production lines. Lim's stewardship, Top Glove has since grown to be the world's largest rubber glove manufacturer, capturing about 25% of the world market share. Today, the company owns and operates 28 manufacturing facilities with a total of 512 production lines in Malaysia, Thailand and China. These factories have a production capacity of 48 billion pieces of gloves per year, to meet the demand of over 2,000 customers in more than 195 countries.
